

Hello to Everyone joining in the fun at the Fourth Annual SEPC Sporting Clays Classic Tournament.

The 2010 SEPC Tournament is being held at world famous Forest City Gun Club in Savannah. It is conveniently located about a half hour away from the Westin. Forest City Gun Club is one of the oldest organized gun clubs in the United States. Organized in 1883, FCGC has held hundreds of World Class and National events. This location will be a real treat for all our participants.

Coffee and Danish will be provided in the Westin Main Hotel Lobby beginning at 7:30 AM on Saturday morning, September 25th. Please plan to meet in that area by 8:00 so that we can load vehicles for a 8:15 AM departure. There are currently 20 of us shooting in our event. I will have a vehicle and we'll need a couple of more for the trip. Any volunteers?

We will determine teams by a blind draw when we reach Forest City Gun Club. We will shoot in teams of 4 as our actual numbers dictate. If we have an uneven number participating that does not allow for equally numbered teams, we will shoot individual scores. I will establish tie-breaker stations in the event there is a tie. We will go to the score cards to the pre-chosen stations to compare scores as the tie-breaker. It will not be a "shoot off".

Guns need to be 12 gauge unless you personally prefer a 20 gauge gun. Hearing and Eye protection are required. If you are driving and have an extra gun, please bring it along in case someone needs to borrow a gun. However, rental guns will also be available. Guns choked from Improved Cylinder to Modified are generally the rule at most Sporting Clays courses. **All shells will be provided.**

We'll also provide water and drinks. After our shoot, we will eat a delicious BBQ lunch at Forest City Gun Club and then return to the Westin for our Awards Ceremony.

Schedule: 8:15- Depart Westin  
8:45- Safety Briefing- required  
9:00- 100 Clay Course  
12:00PM - Lunch  
1:30PM Return to Westin

We look forward to a great event. If you have any questions or special needs, please contact me anytime.
